TECHNICAL SKILLS

Programming skills

HTML, CSS, JAVASCRIPT, C C++ , PYTHON & Web development

PERSONAL PROJECTS

RENTER (12/2021 - 01/2022)

▣ In today's time it is very difficult to search the room by leaving your job on rent and taking the risk, wandering in the street, knocking on someone's door and searching for the room is very difficult. In this case our website is very useful by searching the room in Eassy with gives the lowest cost.

VIDEO CALLING

▣ In this era we conduct our meeting in virtually .It help to atten the webinar or conferences on virtual.
